

STREAMLINED GARBAGE AND RECYCLING, AT YOUR DISPOSAL.

Village of Fredonia pick-up day is: **THURSDAY**

Garbage is collected once per week.
Recycling is collected every other week.

NEW 96-GALLON CARTS MAKE LIFE EASIER!

Advanced Disposal is excited to announce that we'll now be collecting garbage and recycling both with separate 96-gallon carts! Our Automated Cart Collection program is designed to make it easier for you to handle your waste and recycling. The best part, you don't have to sort your recyclables – just toss them in and go! We just ask that you follow a few simple cart placement guidelines. Your help is appreciated in making it easier for carts to be collected:

- Recycling collection is every other week.
- Carts should be placed curbside by 7:00 a.m. on your collection day.
- Your cart should be within 18 inches of the curb with the arrows on the lid pointing to the street/curb.
- To avoid damage to property, place the cart at least three feet away from mailboxes, lamp posts and other fixed objects.
- Place your cart on as level of a surface as possible, but away from low hanging tree branches.
- Place recycling carts at least three feet away from garbage carts.
- Close lids prior to pick up. Lids should be closed on the carts in order to stop material from spilling or blowing away prior to collection.

Recyclable items include:

- Cardboard
- Tin cans
- Magazines
- Paper
- Books
- Glass (clear and colored)
- Plastics #1-7
- Aluminum
